INVARI™
BATH COLLECTION

STYLE COMES *OF AGE.*

The Invari™ Bath Collection by Brizo® celebrates a modern revival of classic forms. Each graceful nuance expresses a liberated traditional ethos—neither beholden to the past, nor forgetful of its heritage.

THE DAWN OF AN *OLD ERA*

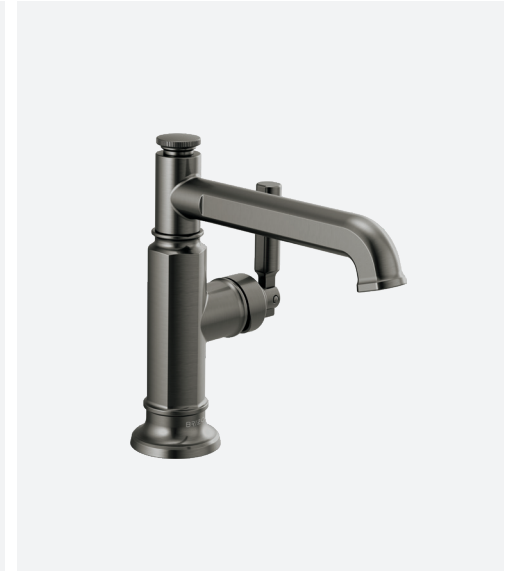

The Invari™ collection introduces a new reign of Edwardian elegance, softened by a streamlined Machine Age sensibility. From the faceted base to the exquisite linchpin joints, its subtle decorative elements provide adornment without excess.

AT YOUR
COMMAND

With a wide array of spout configurations, finishes and handles, the Invari™ Bath Collection provides a wealth of options to suit your tastes.

A GOLDEN *RENAISSANCE*

The new Brilliance® Polished Gold finish heightens the sumptuous grandeur of the Invari™ collection. Its traditional architectures take on a regal air, each surface gleaming with lustrous shine.

INTRICATE *OPULENCE*

*The finely ridged coining and
faceted base display the meticulous
precision of the Machine Age.*

*Hand-assembled linchpin
handles elevate the collection
with a touch of artisan detail.*

*The graceful slide bar
shower arm can be raised
or lowered up to 12" to
accommodate any height.*

COLLECTION BREADTH

The Invari™ Bath Collection is a full, customizable suite to outfit the entire bath space—including multiple lavatory and tub faucet configurations, custom shower trims and components—along with elegantly coordinated accessories and hardware.
