BRIZO

ODIN[®]

Both one and many.

In the Odin[®] Kitchen Collection by Brizo[®], a singular aesthetic finds manifold expression. The streamlined silhouette takes on new distinction with each finish, handle and spout configuration. Embodying both unity and diversity, the collection represents an exquisite multiplicity.

EVERY SHADE, *A NEW DIMENSION.*

A wide range of finishes bring to life the multifaceted beauty of the Odin® collection. From the radiance of warm shades to the sophistication of cool tones, each of seven options introduces its own nuances to the Scandinavian-inspired architectures.

THE GOLDEN *MEAN.*

Neither minimalist nor maximalist, the Odin® collection exemplifies the Swedish philosophy of lagom. No adornment is extraneous, nor is any detail lacking. Instead, simple lines pair with thoughtful touches for a balanced whole.

DISTINCTIVE, YET *DIVERSE.*

In the Odin® Kitchen Collection, a unified vision extends across an array of possibilities. The arc and square spout alike harmonize with metal and Guyana Teak lever handles in any finish, creating endless combinations—and endless appeal.

COLLECTION BREADTH

The Odin® Kitchen Collection features a variety of faucet configurations, spouts and handle options, along with pot fillers and accessories to outfit any kitchen space. The collection also coordinates effortlessly with new Instant Hot and Beverage faucets.
