

*Living
Fashion*

BRIZO®

FASHION ISN'T JUST ABOUT CLOTHES; IT'S A LIFESTYLE.

*It's the culture we experience, the places we travel,
the things we eat—and yes, the way we design our homes.*

CONFIDENCE HAS A LOOK.

Cutting-edge design is the driving force behind every Brizo® collection. We don't hesitate to push beyond the predictable to create something truly unique—looking past what's known to discover what's next.

DESIGNING FOR THE FUTURE.

Innovation inspires everything we do—from our breakthrough SmartTouchPlus® Technology to the Articulating Kitchen Faucet. Fashion never stands still, and neither do we.

LUXURY IN EVERY DETAIL.

No facet is too small to be thoughtfully designed, meticulously hand-detailed—and thoroughly obsessed over. Our focus on artistry results in intricate detailing like the handcrafted knurling texture in our Litze™ Collection, and allows us to create things no one else can, like the twist in our Virage® Collection.

COLLABORATION CREATES A UNIQUE PERSPECTIVE.

Our passion to work with the best in any industry is what makes Brizo® truly different. Partnering with world-famous fashion designer Jason Wu created a unique perspective on form and beauty—and led to the groundbreaking Jason Wu for Brizo™ Collection.

ABOVE ALL, WE NEVER FORGET WHO WE'RE CRAFTING OUR PRODUCTS FOR.

*The people who see beauty in the details and understand
the importance of every stitch, every space, every finish.*

*Those who aren't just wearing fashion,
they're LIVING FASHION.*
